Position Title: Youth Sports Coach (Basketball, Flag Football, Soccer)

Purpose of Position: Create a safe learning environment where the student-athlete can develop fundamental skills, build teamwork and assimilate social skills, and learn the importance of sportsmanship and fair play.

Qualifications:

- Must be over the age of 18 with a high school diploma
- Must pass background check
- Prior playing experience in the sport at the high school or college level (prior coaching experience preferred)
- Have a desire to work with children between the ages of 4 and 12
- Exude enthusiasm
- Exhibit patience, maturity, and dependability
- Good organizational skills
- Sound character, strong moral values and personal ethics
- Availability between the hours of 2P and 5P M-F, and 9A-1P on Saturday

Responsibilities:

- Communication - establish and maintain effective lines of communication with all parents of team members and administrative staff at school to which you are assigned.
- Learn, follow, and ENFORCE **ALL** league rules, policies, and procedures; as well as those of the school to which you are assigned.
- Provide a safe environment for practices and games by checking conditions of the field and equipment each day.
- Report any problems with practice fields, game fields, equipment, player behavior, parent behavior, opponent behavior, or performance of officials in a timely manner.
- Preside over team activities including all scheduled team practices and games.
- Arrive on time and prepared for all practices and games
- Teach fundamental skills to the student-athletes while emphasizing skill development, fair play, teamwork, sportsmanship, and fun.
- Promote the values of responsibility and commitment, and emphasize the importance of academics first and foremost.
- Be responsible for each student athlete until they are signed/turned over to a parent or legal guardian at the conclusion of each practice and game.

Supervision: Report directly to the director of athletics at the school to which you are assigned

Time Commitment: Generally, the time commitment is 6 hours per week for each team you are assigned. A coach can have multiple teams in a given season if their availability permits.

Benefits: This position is an excellent entry level position for a sports management or education major. Incumbent will work on campus at a local private or charter school in the south Miami community. Previous coaches have advanced to full-time coaching and/or teaching positions at the school where they once served as a part-time coach.
